The Lebanon City Schools are very proud of the wide variety of athletic and extra curricular activities we offer to our students. The student athletes are obligated to conform to the "Student Code of Conduct" as established by the Lebanon City Schools Board of Education, the athletic department substance abuse policy, and any other policies as established by the Lebanon Athletic Department. Athletes are also responsible for specific rules and regulations as established by the coaches of each specific sport.

Student Athletes and parents/guardians must understand that it is a **privilege** to participate in Lebanon's interscholastic athletic program. A condition to participating in the Lebanon City School's athletic program is commitment to follow the rules, regulations, policies and procedures established by the district for the implementation of its athletic program. It must also be understood that athletes who violate the rules, regulations, policies and procedures shall face disciplinary action.

Lebanon Coaching Standards

This document is designed to provide all Lebanon coaches with a common coaching frame of reference. Lebanon coaches are considered to be professionals, who use their talents and skills to educate their student-athletes using the courts and fields of play as their classrooms\Lebanon coaches should conduct themselves role models for their student-athletes demonstrating exemplary character and sportsmanlike behavior.

- Lebanon coaches will be supportive and cooperate with one another for the betterment of our student-athletes and the entire Athletic Department.
- Lebanon coaches will be expected to provide the parents and the student-athletes with the appropriate academic and athletic related information.
- Lebanon coaches will hold pre-season parent meetings to communicate team policies, coach's philosophy, substance abuse policy information and all other logistical information specific to the program.
- Student athletes will be coached utilizing educationally enhancing behaviors. The use of constructive and positive reinforcement is strongly encouraged.
- coaches acknowledge that the parents/guardians of their student-athletes have the best interest of their children as their focus. Likewise the parents/guardians must recognize and accept that the coach has the best interest of his/her team as their focus.
- Lebanon coaches will be sensitive to the diversity of all of our student athletes inside and outside of our school and community.
- Lebanon coaches are expected to be consistent with discipline and work with their student-athletes to prevent hazing, bullying or harassment in any form. .
- Coaches will limit their use of social media (text message and/or email communication) to their student-athletes and parents for school-related informational purposes.
- Lebanon coaches are expected to be in attendance and punctual for all practices, meetings, and contests.
- Lebanon coaches are expected to be thoroughly prepared for all practices and contests.
- Lebanon coaches are expected to dress appropriately for practices and games. The professional dress of a coach sets the tone for the team and the athletic program.
- Lebanon coaches will pursue professional development to enhance and refine their coaching skills while maintaining current and proficient status relative to all OHSAA and Lebanon City Schools certifications.
- Lebanon coaches to the District Policies on depositing / fundraising and general monetary accountability procedures.

- When teams are selected by a “tryout” method, Lebanon coaches must insure that athletes who have been cut are given the opportunity to understand what their deficiencies are and what they can do to improve their skills.
- Lebanon coaches will be familiar with basic Ohio High School Athletic Association bylaws regarding eligibility contest restrictions and non-contact periods. As well as all regulations established by the Greater Western Ohio Conference (GWOC). If unclear on a policy or procedure, Lebanon coaches will refer to their respective athletic director.

Student Athlete Standards

The Lebanon City School district believes that the student-athletes should be held to a higher standard of conduct since athletics is a privilege that may be regulated. Student-athletes should serve as positive role models for other students as well as appropriate representation of the school district.

Student-athletes will conduct themselves appropriately at all home and away contests. Remember that when you represent Lebanon City School district, all policies and procedures are in effect regardless of location.

Student-athletes will continue to maintain athletic eligibility standards (see page 14 in Athletic Handbook)

Quitting or dismissal from a team

It is the belief of the Lebanon Athletic Department, that regardless of playing time, there is great value to be gained through participation in extracurricular activities. We encourage high levels of participation. With this being said, student-athletes at times may find a particular program not of enjoyment. If this is the case, permission from the Principal and Athletic Director may or may not be granted for the student-athlete to participate in another sport of that current season. Student-athletes are encouraged to communicate with coaches in an appropriate manner. If a student-athlete must be removed from a team for any reason, the student-athlete must meet with the Athletic Director and the Head Coach prior to the start of the next sports season.

Athletic Participation Fees

Athletic participation fees must be paid in full within the timelines described below. Parents/Guardians and student-athletes must understand that this fee guarantees only the privilege for participation on a Lebanon City School athletic team, it does not guarantee playing time.

The fees for the 2011-2012 school years are:

High School Athletics: \$250.00; Jr. High School Athletics: \$175.00

There will be no individual or family cap to these fees. The entire fee must be paid in advance. There will be neither payment plans nor full scholarships provided. Any individual failing to make full payment will be immediately denied participation in that sport. Qualifying families may apply for assistance from the Lebanon Athletic Boosters through their established policies and procedures.

Timelines for payment:

In the sports of cheerleading, boys/girls cross country, boy/girls tennis, boys/girls track, boys/girls bowling and boys/girls swimming and diving, the fee must be paid by the Friday before the first regularly scheduled game, meet and/of contest as defined by the Ohio High School Athletic Association.

The Role of Parents in Interscholastic Athletics

Communicating With Your Children

- Make sure your children know that win or lose, scared or heroic, you love them, appreciate their efforts and are not disappointed in them. This will allow them to do their best without fear of failure. Be the person in their life they can look to for constant positive reinforcement.
- Try your best to be completely honest about your child's athletic ability, competitive attitude, sportsmanship and actual skill level.
- Be helpful, but don't coach them. It's tough not to, but it is a lot tougher for the athlete to be flooded with advice and critical instruction.
- Teach them to enjoy the thrill of competition, to be "out there trying", to be working to improve their skills and attitudes. Help them develop the feeling for competing, for trying hard, for having fun.
- Try not to relive your athletic life through your child in a way that creates pressure. Don't pressure your child because of your pride. Athletic children need their parents, so you must not withdraw. Remember, there is thinking, feeling, sensitive, free spirit out there in that uniform who needs a lot of understanding, especially when their world turns bad. If they are comfortable with you win or lose, then they are on their way to maximum achievement and enjoyment.
- Don't compete with the coach. If your child is receiving mixed messages from two different authority figures, he or she will likely become disenchanted. Criticism of the coach to your child puts the athlete in a terrible "No Win" situation.
- Don't compare the skill, courage or attitude of your child with other members of the team.
- Get to know the coach(es). Then you can be assured that his or her philosophy, attitudes, ethics and knowledge are such that you are happy to have your child under his or her leadership.

- Always remember that children tend to exaggerate both when praised and when criticized. Temper your reaction and investigate before overreacting.
- Many times athletes will define all coach criticism as being "yelled at".
- Make a point of understanding courage and the fact that it is relative. Everyone is frightened in certain areas. Explain that courage is not the absence of fear, but a means of doing something in spite of fear and discomfort.

Communicating With The Coach **Communication You Should Expect From Your Child's Coach**

- Philosophy of the coach.
- Expectations the coach has for your child as well as all players on the squad.
- Locations and times of all practices and contests.
- Team requirements (fees, special equipment, off-season conditioning, etc.).
- Procedure should your child be injured.
- Discipline that result in the denial of your child's participation (eligibility, substance abuse, etc).
- Parents are responsible for arranging for timely pick-up of your student and communication with coaches when changes arise.

Communication Coaches Expect From Parents

- Concerns expressed directly to the coach.
- Notification of any schedule conflicts well in advance.
- Specific concerns in regard to a coach's philosophy and/or expectations.
- Transportation

Appropriate Concerns to Discuss With Coaches

- The treatment of your child, mentally and physically.
- Ways to help your child improve.
- Concerns about your child's behavior.
- Appropriate discussion about playing time with coach.
- Incidents of hazing and bullying should be reported immediately.

Issues Not Appropriate to Discuss with Coaches

- Team strategy.
- Play calling.
- Other student athletes.

Appropriate Procedure for Discussing Concerns with Coaches

- The very first step in discussing a coaching concern is to meet with the coach.
- Do not confront a coach before or after a contest or practice. These are emotional times for all parties involved and do not promote resolution.

- Call the Athletic Office (513-934-5111) to set up an appointment with the Athletic Director and the coach. A time will be established for a meeting for all parties to meet and discuss your concerns

- Follow Board approved complaint form in handbook.
- Determine the next step at this meeting.

LEBANON ATHLETIC DEPARTMENT SUBSTANCE ABUSE POLICY

USE, SALE, OR POSSESSION OF ALCOHOL, TOBACCO PRODUCTS, OR ILLEGAL DRUGS IS PROHIBITED

- Beginning with the date that the athlete and parent(s) sign the Substance Abuse Policy Acknowledgement, the policy will be in effect for the athlete for a calendar year. **There is no “off season”** as far as adherence to the substance abuse policy is concerned. This policy is in effect “365 days a year / 24 hours a day”.
- The student athlete will be held accountable for the Substance Abuse Policy on a year-round basis. Cumulative accountability throughout his/her interscholastic career will run from grades nine through twelve. *For example: a violation during the 9th grade followed by a violation in the 11th grade would constitute a second offense circumstance.*
- Violations of which will lead to a denial of participation and/or removal from the Lebanon City School District interscholastic athletic program.
- Lebanon’s Substance Abuse Policy is in effect for all student athletes grades seven through twelve. By definition, cheerleaders, chess team members, and academic team members are also considered student athletes.
- To participate in Lebanon’s interscholastic athletic program, both athlete and parent(s) are required to sign the Substance Abuse Policy Acknowledgement form for each athletic season of participation. These dated forms will be kept in the respective athletic offices.
- If a Substance Abuse Policy violation occurs after completion of the athlete’s sporting season, but during the effective calendar year of policy coverage, the athlete must fulfill all facets of the program of reinstatement before his/her next sporting season. If it is a first offense violation, the athlete will be denied participation for 20% of the next season's interscholastic contests.

- Student athletes under the denial of participation penalty for an “out of season” substance abuse violation will be permitted to try out for an interscholastic squad. If the student makes the squad, the 20% denial of participation penalty will be enforced once the regular competition season begins. As with all violations, the athlete must complete all facets of reinstatement procedures to be considered for reinstatement.
- If the athlete is a multi-sport athlete and the first offense occurs with less than 20% of the regular season contests remaining, the outstanding percentage of the contest penalty will be carried over to the next interscholastic season of participation.
- If the athlete chooses to tryout for another sport in an attempt to satisfy the denial of participation percentage, the athlete must successfully complete the season by definition of the OHSAA official start and end dates.
- If the violation occurs near the end of the sport season a student athlete may be prohibited from attending the awards program for their sport. This decision will be left to the discretion of the head coach.
- If a student athlete is implicated in a Substance Abuse Policy violation, the athletic director and/or assistant principal will fully investigate the situation to substantiate or refute the allegation.
- An athlete, who feels that he or she has a substance abuse problem, may personally report this circumstance to the athletic director, coach, or a member of the school teaching staff. The athlete must submit to a professional assessment and undergo three substance abuse counseling sessions, but may continue to participate in athletics. All self-referral information will remain confidential. If the assessment indicates treatment, the athlete must follow through with the program to remain on the squad. Parent(s) may also make referrals on their own student athletes. Procedurally, parent referrals will be treated as self-referrals.
- A self-referral or a parent referral cannot be made in an attempt to circumvent an active investigation into a Substance Abuse Policy violation. One “self-referral” is permitted during an athlete’s interscholastic career at Lebanon. A “self-referral” counts as the first substance abuse violation. A second subsequent violation of the Substance Abuse Policy will result in a denial of participation for one calendar year.
- Self-referrals cannot be made when there has been evidence of police intervention surrounding a violation of the Substance Abuse Policy.

CONSEQUENCES OF SUBSTANCE ABUSE POLICY VIOLATIONS

FIRST OFFENSE: POSSESSION AND/OR USE

- Student athlete is denied participation in Lebanon’s interscholastic athletic program for 20% of the total of regularly scheduled interscholastic contests.

(Fractions of athletic contests will be rounded up if they are .5 or more of a contest and rounded down if .4 or less of a contest. For example, in a 16 game regular season schedule, 20% of the

contests would be 3.2 games. In this instance, the athlete would be denied participation for 3 games.)

- To be eligible for reinstatement in the interscholastic athletic program the following requirements **must be met:**

- a. The student athlete must submit to a professional drug/alcohol assessment.** Proof of assessment completion must be provided to the athletic director. The professional assessment agency must be accredited and acceptable to the school district.
- b. If the assessment indicates treatment procedures, the athlete must follow the prescribed program to be eligible for athletic reinstatement. Parents are permitted to seek qualified “second opinions” of professional assessments. Regardless of assessment findings, three counseling sessions will be required as part of the reinstatement process.
- c. With a drug/alcohol violation, the student athlete is required to attend three substance abuse counseling sessions.**

Given that counseling sessions may extend over a period of time longer than the number of contests dictated by the 20% denial of participation, to proceed with the reinstatement process, the student athlete will need to provide proof of enrollment in a specific counseling program. **If at any time** the athlete discontinues the counseling program, he/she will be immediately denied participation in the athletic program. This denial of participation will include all subsequent seasons until the reinstatement program is completed.

All proof of program attendance must be reported to the athletic director and is the responsibility of the student athlete.

- d. With a tobacco violation, the student athlete will be denied participation for 20% of the total interscholastic contests for the season and be required to attend a smoke/tobacco cessation program.** Upon completion of the smoke/tobacco cessation program, the student athlete may then request an appeal hearing for athletic reinstatement.

All proof of program attendance must be reported to the athletic director and is the responsibility of the student athlete.

- e. For all Substance Abuse Policy violations, the final phase of athletic reinstatement will require a hearing with the student athlete and his/her parent(s) before an appeals board. Parent(s) must accompany the student.**

It is the athlete’s responsibility to schedule the appeal hearing with the athletic director. The appeals board will consist of the building athletic director, principal or designee, head coach of the athlete’s sport, member of guidance department and/or the district substance abuse coordinator.

Upon hearing the appeal made by the student athlete and his/her parent(s), the appeals board will make a recommendation to the principal as to whether reinstatement to the interscholastic program is justified. If the athlete is reinstated, he/she must re-sign the substance abuse pledge

form. If the reinstatement appeal is refused, the athlete will be denied participation until the next sports season.

- If the first offense occurs after the end of the athlete's season, but prior to the awards program, the athlete will be denied participation in the awards program. The student athlete will receive his/her awards only upon successful reinstatement to interscholastic athletics.
- Student athletes under denial of participation for Substance Abuse Policy violations may practice and travel with the squad but not dress for any interscholastic contests.
- Positions of leadership (i.e. captain) are forfeited by violation of the Substance Abuse Policy.
- Financial responsibility of the professional assessment and counseling sessions lies with the parent(s) of the student athlete.
- A student who has tried out and been selected for a high school squad (grades 9-12) is considered to be a high school athlete at that time. Their first substance abuse violation will be counted as their first offense toward their high school record.

SECOND AND SUBSEQUENT OFFENSES: POSSESSION AND/OR USE

- Student athlete is denied participation in Lebanon's interscholastic athletic program for **one calendar year from the date of the infraction.**
- The "second offense" penalty will be enforced **regardless of the time interval between the first offense and the second offense.** The student athlete is accountable for adherence to the Substance Abuse Policy **continuously** from grades nine (9) through twelve (12). Junior school students entering the ninth grade will have previous substance abuse offenses expunged from their **athletic** record.
- Second offenses can be any combination of drug or alcohol or tobacco substance abuse violations. *For example: one alcohol violation + one tobacco violation = a second offense and the consequences as defined under policy guidelines.*
- In order to be reinstated to the interscholastic program after one year of denial of participation, the student athlete must complete all aspects of the reinstatement criteria as outlined in the "first offense" section.
- It is the student athlete's responsibility to communicate with the athletic director concerning all aspects related to the completion of the reinstatement criteria.
- If the second offense occurs after the end of the athlete's season but prior to the awards program, the athlete will be denied participation in the awards program and will not receive interscholastic awards.
- Financial responsibility for all professional assessment and counseling sessions lies with the parent(s) of the student athlete.

SELLING OF ALCOHOL OR CONTROLLED SUBSTANCES

- Student athlete will be denied the privilege of participating in the interscholastic program and practices for **one calendar year** from the date of the infraction.
- For reinstatement to Lebanon's interscholastic athletic program, the student will be required to successfully complete all facets of the reinstatement program. This would include submitting to a professional assessment, attending three counseling sessions, and appearing before the interscholastic appeals board.
- A second offense involving the sale of alcohol or controlled substances will result in a **permanent** denial of participation in Lebanon's interscholastic athletic program.
